

# HOSTLER BURROWS

## **Francois Dischinger**

Francois Dischinger is a South African-born German photographer living and working in New York. He has photographed architecture ever since acquiring his first camera as a child in the 1970s, embracing unusual details, angles, and framing to create unique and personal images. Using a traditional large format film camera, his work has been featured in *The New York Times Magazine*, *Architectural Digest*, *Wallpaper*, *Harper's Bazaar*, and *Town & Country UK*, among others.
