## Discover the Highlights from the Salon Art & Design Fair

As the event returns to New York's Park Avenue Armory for its 10th edition, we share the most exciting things to look out for

NOVEMBER 11, 2021

**S**alon Art + Design returns to the Park Avenue Armory this week, kicking off with a VIP preview on November 11 and remaining on view through November 15. In celebration of its 10-year anniversary, the fair is pulling out all stops, showcasing a highly curated, international assortment of modern and contemporary design, 20th century and contemporary art, and a sprinkling of fabulous jewelry.

### 7. Steen Ipsen at Hostler Burrows

Steen Ipsen is a ceramic artist living and working in Copenhagen, Denmark who crafts hand-built circular, elliptical, and biomorphic shapes. For more exciting Danish art, be sure to visit “Matter at Hand: Ten Artists in Denmark,” a group exhibition of contemporary Danish art on view at [Hostler Burrows](#) in New York.
