As cofounder of the venerable design studio [Gachot](#), Christine Gachot is renowned for the creative spaces she conceives, both for residential clients and for hospitality brands. The firm's remarkable hotel and restaurant designs, like Jac's on Bond, Pendry Bar, and the Shinola Hotel, are always cozy and welcoming, and they never fail to astound with unique decorative details.

So of course, Gachot, a [Galerie Creative Mind](#), has an impeccable eye for gifts as well. Here, she gives a look at some thoughtful selections perfect for anyone's holiday list.

Anat Shiftan is a genius. Her work, available at [Hostler Burrows](#), is dynamic and delightful. An exquisite addition to any room.
